G) Effective November 14th 2013 The Logo "SUNCOAST BROTHERHOOD BIKER RIGHTS GROUP" which is owned by The Suncoast Brotherhood Motorcycle Rights Organization, Inc. shall be final. At that time the USPTO will mail a certificate of registration to our Charter Chapter in Pinellas County.

The initial cost was \$1000.00 which was paid for by Suncoast Brotherhood Motorcycle Rights Organization, Inc. in Pinellas County. To keep the Trademark effective and in good standing, the procedure is as follows; in an five (5) years, a maintenance fee of \$100.00 per classification is to be paid to USPTO and there are two (2) classifications which makes the total \$200.00 which MUST be paid on or prior to November 2018. Additionally, 5 years from the USPTO issuance there is a cost of \$500.00 per class, which totals \$1000.00 and is due on or before November 2023. At that point, the Trademark shall be renewed only every 10 years by the month of November. There will be NO notification from USPTO of these dates to renew, so it is important that the members in those years and following those years stay abreast to the proceedings.
